NOTE A.-The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tons, &c. from each other, and the Enumerator should be careful that the figures are written within the small spaces so formed, thus:

NOTE B.-Make an affirmative entry by a slanting line (thus /) in one of the three columns 2, 3, and 4, according as the fact is in the case of each farm-in column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money rental; in column 4, if he conducts it for a share of the product.

NOTE C.-Enumerators will observe that there are 100 questions relating to each farm, which are arranged in four successive divisions of each schedule page.
