<b>Description:</b> This database is an index to over 2 million deaths that were registered in Ontario, Canada, between 1869 and 1938. Information contained in this index includes: name of deceased, death date, gender, estimated birth year (calculated from age in years at time of death), birthplace, and Ontario county of death. The database also includes deaths of Ontario residents overseas from 1939-1947, most of whom died in combat in the Second World War. <a href="#">Learn more...</a>
