This information is the result of much cross-referencing and researching of many sources. Please don't accept it all as fact. I am continually searching and updating the material so check back often. Some of my speculations have been wrong and some have proven to be true in the past, so I will continue to put them in and correct them when necessary. Please contact me if you find an error or have anything to be added. PLEASE DO NOT USE "POST-EMS" TO ASK ME QUESTIONS - E-MAIL ME AT THE LISTED ADDRESS

- ID: I26971
- Name: Michael BORTZ
- Surname: Bortz
- Given Name: Michael
- Sex: M
- Birth: ABT 1700 in Germany
- _UID: D681E015FCDCB14F810FF5BEB6F5C723FC82
- Note:

I am speculating that these Bortzes were brothers but I have no proof.

Much of this early Bortz family information is based on erroneous facts from a Lehigh County History where it is quoted from a person who gave a speech at a Bortz family reunion in the early 20th century. He evidently got his facts mixed up and missed a generation besides. Please treat this information as conjecture from many sources until it can be proved.
