Ancestry.com. 1900 United States Federal Census [database online]. Provo, UT, USA: Ancestry.com Operations Inc, 2014.

Original data: United States of America, Bureau of the Census. *Twelfth Census of the United States, 1900*. Washington, D.C.: National Archives and Records Administration, 1900. T623, 1854 rolls.

**Description:**

This database is an index to individuals enumerated in the 1900 United States Federal Census, the Twelfth Census of the United States. Census takers recorded many details including each person's name, address, relationship to the head of household, color or race, sex, month and year of birth, age at last birthday, marital status, number of years married, the total number of children born of the individual, the number of those children living, birthplace, birthplace of father and mother, whether the individual was foreign born, the year of immigration and the number of years in the United States, the citizenship status of foreign-born individuals over 14 years of age, occupation, and more. Additionally, the names of those listed on the household schedule are linked to actual images of the 1900 Federal Census. [Learn more](#)
