The three Crose brothers all went to Kentucky about the same time, 1788 and settled in Bourbon, and Fayette Counties. Henry Crose (1752-1845) and Michael Crose (1765-1819) settled in or near Clintonville, Bourbon County, Kentucky. Philip Crose (1757-1838) settled in Fayette County.

The only reason I can figure out why Christian disinherited Michael is because he married his niece. Even back in the 1700's it was frowned upon marrying your niece.
