

There is a William Harrison who was living in Vermont, Woodstock I think, who in 1790 sold to Elijah Ely his share of the estate of widow Sarah Tiffany of Lyme. This Sarah has to be Sarah Harvey who married Nathan Tiffany. Sarah died in 1788. Now among Sarah & Nathan's kids were Abigail who married Elihu Harrison and Hepzibah who married William Harrison, Elihu's brother. We know that this William had a son, William, but he was not of age in 1790, so the William that was in Vermont had to be a son of Elihu.
