About 1558, she married John Wheeler of Cranfield, Bedfordshire, probably in Odell. John and Alice had two sons, Thomas and John. [A question that Alice Sayre who allegedly married John Wheeler was the daughter of William and Alice (Squire) Sayre. Yes, they had a daughter Alice, but in her father's 1563 will and her mother's 1567 will she is referred to as Alice WEST, husband Robert WEST and children John and George WEST. Two different Alices.

Info provide by David Cooper.

Or if not two Alice's then maybe two husbands.
