#### Description

This database details those persons enumerated in the 1840 United States Federal Census, the Sixth Census of the United States. In addition, the names of those listed on the population schedule are linked to the actual images of the 1840 Federal Census. Enumerators of the 1840 census were asked to include the following categories in the census: name of head of household, number of free white males and females, number of other free persons, names of slave owners and number of slaves, number of foreigners, and town or district and county of residence.
