**CARTER**

I am looking for information on HUGH CARTER born August 14, 1832 in Greene County, TN. Hugh Carter moved to Texas when he was 17 years old. Hugh married Mary Emly ? on February 7 1868 in Cherokee County, TX. Hugh was a Confederate soldier from Henderson County, Texas and served as a Corporal and Private in Company K, 4th Texas Infantry. He was captured December 18, 1863 near Knoxville, TN and exchanged at New Orleans May 23, 1863. Hugh and Mary Emly Carter had three children:

1. 1 Sallie Bama Carter b. September 29, 1870 TX
2. 2 Hugh B. Carter b. January 3, 1874 TX
3. 3 Telulah Carter b. April 2, 1877 TX died Feb 1, 1890 in Henderson Co., TX

I understand that there are other HUGH CARTERS that resided in Green County, TN. More than likely my Hugh Carter is a link to their families. He is also somehow linked with James Walling of TN. In the 1860 Census of Henderson County, TX my Hugh Carter was listed as living in the household of a James Walling of TN with a William Carter, age 19. Thank you in advance for any assistance that you may give. Pam
