Description:

This database is an index to individuals enumerated in the 1850 United States Federal Census, the Seventh Census of the United States. Census takers recorded many details including each person's name, age as of the census day, sex, color; birthplace, occupation of males over age fifteen, and more. No relationships were shown between members of a household. Additionally, the names of those listed on the population schedule are linked to actual images of the 1850 Federal Census.
