

Eli McCeldon Sage, Sr

Birth: Jul. 14, 1835
Sevier County
Tennessee, USA

Death: Nov., 1895
Jefferson County
Montana, USA

Phillipsburg Mail--Eli Sage, age 60 years, died at his home in South Phillipsburg last Saturday after a lingering illness of several months duration.

The deceased was numbered among the oldest residents of this place, having resided here about 18 years. He was a hard working man and was generally well liked by those who knew him, He was a native of Tennessee, in which state his parents owned extensive plantations before the war.

About two years ago the eldest son of the family, to whom the father was very much attached, took suddenly sick and died and since that time the deceased gradually failed in health. His devoted wife, four daughters and three sons survive him.

The funeral occurred from the family residence Sunday afternoon and the remains were followed by a large number of friends to the Phillipsburg cemetery, where interment was made.
