Ancestry Roots

ID: I07869

Name: David Davis

Sex: M

Title: Rev.

Birth: 1708 in Parish Of Whitechurch, Pembrokeshire, Wales

Death: 19 AUG 1769 in Welch Tract, New Castle, New Castle Co., Delaware

Note:

Rachel Thomas was the second wife of Rev. David Davis. His first wife, mother of all of his children, was Mary, maiden name unknown. She died in the Welsh Tract, Pencador Hundred, New Castle Co., DE, and was buried in the churchyard of the Welsh Tract Baptist Meeting on July 24, 1743. Her gravestone is there and is so-engraved. She died just 26 days after the birth of her youngest child, Margaret, whose gravestone is also in this same cemetery.

David Davis married his second wife, Rachel (Thomas)Jones, at an unknown future date, but probably no more than a few years after Mary's death, for at the time of Mary's death he had 7 children between the ages of about 11 years to just a few months.
