FIRST REFORMED AND TRINITY FIRST REFORMED CHURCH, CITY OF YORK

The first portion of this register is duplicative of Rev. Lischy's pastoral record, shown in its entirety in Volume 3. There are differences in spelling and some omissions in the register. The register does not include the records for 1746 to 1762. See Lischy's pastoral record for these. The dates of baptism for the first three entries of the Young transcription have been corrected in the library (Historical Society of York County) copy and are reflected here. In examining the microfilm of the original version these were the only errors noted except for the fact that some entries were out of sequence. The abbreviation N.N. has been equated here to read "Name not shown."
