**Messages:**

Record of LDS Church ordinance (living or proxy). The record often shows the name of the individual and his or her relationship to a descendant, shown as the heir, family representative, or relative. The original records are arranged by temple, ordinance type, ordinance date, and the relative's name. A family group record for this couple may be in the Family Group Record Collection; Archive Section. (See the Family History Library Catalog for the film number.) These records are alphabetical by name of the father or husband.
