Description

This database details those persons enumerated in the 1810 United States Federal Census, the Third Census of the United States. In addition, the names of those listed on the population schedule are linked to the actual images of the 1810 Federal Census. Enumerators of the 1810 census were asked to include the following categories in the census: name of head of household, number of free white males and females, number of other free persons except Indians, number of slaves, town or district and county of residence.
