I would like some information on Jessie Redman born abt. 1795 and wife Elizabeth. They are in the 1840, 1850 and 1860 census of Pike County. My 2nd gr-grandmother, Eliza Redman Day, was born 1816 and I'd like to find out if it is possible this man might be her father. I know sometimes succession or conveyance records are helpful. If someone could check if they have a copy for Jessie Redman I would appreciate some help.

Eliza Redman married William H Day(1835)and raised a large family in St. Helena Parish, LA. I think she might have married William Day in this County. In the 1850 or 1860 census in Lousiana there is a William Redman living in the next home so I'm assuming he was her brother. My goal is to find Eliza's parents but it gets increasingly more difficult finding women's families before 1840. Some guidance there is often helpful.
