DILLARD PAGE AND POLLY CLARKE FAMILY VA>KY>MO

By **David Ross** December 24, 2008 at 09:59:45

Searching for the parents of Dillard Page.

Precise birthdates for his children listed below indicate there is a family bible somewhere, but I have not seen a transcript. Most info below is from a family group sheet found in a library in probably KY or MO and passed to me by a cousin. I have added census info, which is consistent with the group sheet, and an abstract of the will of John Clarke.
