Faucett Surname pre 1790

I am researching William Faucett born about 1748 who died in Union County, in 1806. I have information regarding his children, but we are looking for any prior data on this man.

His son, Richard/William Richard appeared to be the only Faucett on the 1790 census, however, land records showed William ther in 1775.

We are having trouble find this name in South Carolina, except for a Thomas Fawcett who was given land in 1698 in Berkeley County, South Carolina.

Would you have any Faucett/Fawcett/Fossett family files which could provide any information to further this line?

Thank you

Cathy Barlow
