Hi Frances,

I'm very interested in learning more about your information that William Wansley and Margaret Adams were John Wansley's parents. Can you tell us where this information came from and in what part of Virginia these records were located?

I know that John Wansley was named in a Louisa County court record as the heir-at-law of a William Wansley who was deceased before 1780, but I have not been able to locate any records for this William Wansley or any indication of his wife.

Thanks for your help,
Joan

Does anyone have proof of the parents of Margaret Adams, b. abt 1710 VA and the wife of William Wansley and mother of John Wansley of VA who died in Elbert Co., GA? Believe Margaret & William died in VA as I have never found a record of them outside of VA. Anyone have knowledge of these early Wansley & Adams family?
