Original data: Census Publishing. *State Census Records*. West Jordan, Utah: Census Publishing, 2003-2009.

Description:

Records in this database come from Census Publishing's efforts to both restore or re-create missing pieces of early censuses and actually create decennial "census" records for the years prior to 1790. They extract their information from sources such as not limited to: tax lists, legislative petitions, voter's lists, state and federal land records, and military lists.
