

The John Bird Family

Two Revolutionary War soldiers named John Bird lived in Upper S.C. One was born in 1754 in Duplin Co., N.C. He removed to Camden District, S.C., with his mother and step-father. Here he enlisted in 1776. After the war he settled in Edgefield Co., S.C., later moved to Montgomery Co., GA, and finally to Dale Co., AL.

The record of the other John Bird does not show when he was born, where or his residence when he enlisted. His pension application of 1818 gave his age as 58 while his application of 1821 gave his age as 64. Latter more likely since he enlisted in 1776, was promoted to Sgt. then to Lieut. and served three years. After the war he settled in Union Co., S.C. At the time he died 4 Dec. 1843 he was totally blind. His wife Elizabeth had predeceased him by many years. His estate records of 1848 showed he had the following children:

1. John who died in GA in 1828/29, leaving four daughters, one of whom named Nancy married John Sharp and lived in Union Co.
2. Anna Cane was born 12 Oct. 1790 and married Daniel Smith. They were the parents of the four children who married children of John Phillips, wife Rachel.
3. Sally C. married James Car and lived in Miss. Aged about 60 in 1848.
4. Catherine married Richard Faucett. Aged about 51 in 1848.
5. Henry C., aged 54 in 1848, was in C-20 with 1m 18-26, 1f 16-26, 1f u 10. Texas
6. James C., aged 56 in 1848, moved to AL.

John Bird, Sr. (b. abt 1758) and his wife Elizabeth Faucett, both thought to be from Augusta County, Virginia. He moved to the area of Thickety Creek (Union District) South Carolina and had sons John, J., Henry C. and James Calvin Bird, and daughters Ann, Catherine and Sarah.

John Bird I joined El Bethel Baptist in 1804 by faith and baptism, but sometime later he was excommunicated. Edmund Ellis and many of the Guytons also belonged to this church. It is my understanding that Edmund Ellis was a brother of the Martha Patsy Ellis, b. 1769, who married Abraham Guyton, b. 1765.

State of South Carolina

Before me David Johnson one of the associate Judges of the said State personally appeared Captain John Bird who made the following declaration on oath pursuant to the act of Congress of the United States entitled "An act to provide for certain persons engaged in the Land & Naval Service of the United States during the Revolutionary War." That he entered the land service of the United States in the War of the Revolution as a private soldier in a company commanded by Capt. George Warley in the 6th Regiment commanded by Col William Henderson, the precise time of which is not recollected. He believes in the year 1776 or 1777. That he remained in that Regiment for about two years & was then transferred to the 1st Continental Regiment of South Carolina, Col Charles C. Pinckney attached to the company of that Regiment commanded by Capt. ___ Turner. That in this company he acted as Sergeant for some time and was finally appointed and commissioned Adjutant of the Regiment with the rank of Lieutenant & remained in that Regiment in that character until as well as is recollected about the year 1781 when he resigned his commission and that shortly after he joined the brigade of State Troops commanded by General Sumter [Thomas Sumter] in the character of Lieutenant with which he remained until near the close of the war.

The declarant further saith that the several commissions which he held during the war have been lost by time or accident so that he has them not now to produce and that he received three gunshot wounds in the Siege of Charleston and Savannah.

He declarant further saith he is now in his 59 year of age and that on account of his reduced circumstances, his age and bodily infirmities he needs the assistance of his Country for the support of himself and family.

S/ John Bird

I do certify that Captain John Bird did make the foregoing declaration on oath before me at Union Court House this 7th day of July 1818.

State of South Carolina Union District: SS

On this the 24th day of April 1846 personally appeared before the Court of Ordinary for the said District Anna C. Smith, a resident of the District of Union in the State aforesaid who on being first duly sworn upon the holy evangelist of Almighty God deposes & says that she is the daughter of the above named Captain John Bird deceased whom she is informed & believes was a soldier of the Revolution and drew a pension of \$240 per annum under the Act of Congress of the 18th March 1818: That she was informed long before the death of her said Father (which took place on the 4th day of December 1843), that he was entitled to an increase of pension under the Act of Congress passed the 7th of June 1832, and made an attempt to obtain it, but owing to his being entirely blind for several years previous to his death, he was unable to travel about to obtain it will attend to it, and it was therefore neglected. This deponent further states that at the time of the death of her father the said Captain John Bird deceased he left no widow, his wife, the mother of this deponent having died many years before, but that he left the following children, to wit This deponent aged about fifty-six years & resident in the said District of Union, Sally Bird, now the widow of James Carr, aged about sixty years, living when last heard from somewhere in the State of Mississippi, the County of unknown, a son Henry C. Bird aged about fifty-four years, not heard from for some years, but when last heard from said to be living in Texas, Catherine Bird, now Mrs. Faucett aged about fifty-one years, and when last heard from living in the State of Alabama, County not known, James C. Bird aged about forty-six years, living when last heard from in the State of Alabama County not known. It having been some years since the above named brothers and sisters of this deponent were heard from with any certainty although she has made efforts to hear from them, she does not know whether they are alive or not.

The said John Bird deceased had one other son whose name was John Bird but who died many years before his father and left five children, the survivors of these children if any at the death of the said Captain John Bird deceased resided as deponent is informed somewhere in the far west -- but she cannot state anything more definite in regard to them.

This deponent deems it unnecessary to say anything in regard to the Revolutionary Services of her father. She refers to the evidence now on the files of the proper department upon which the said John Bird was placed upon the pension Roll under the Act of Congress of the 18th March 1818, and solicits that if the said John Bird deceased her father is entitled to an increase of pension under the Act of Congress of the 7th of June 1832, her rights made not be withheld but rendered to her according to law.

She further states, that she has always understood that her father did not resign in 1781, but that he was taken prisoner by the British in 1781, and begs that she be permitted to offer proof upon this subject with the view to recover the Commutation & Bounty Land to which she has been led to hope her said Father was entitled. If however her father as stated in his declaration that he did resign in 1781, she admits that is conclusive but begs that his declaration be re-examined upon that subject.

And further this deponent saith not
