Lorelee, I do not have anything on the Hendersons in the New England
 states. You are correct about Thomas about 1710-1772 having a son
 William 1728-1779 and he had at least two children: William Jr.; and Dr.
Thomas of Mecklenburg NC. Dr. Thomas who married Mary Baldwin had at
least three children: (1) Isaac born 1779 who had son David M. who
married Lucinda; (2) John Henderson who married Ann Sample and several
of their children went to TX; and (3) Harriet 1788.

Do you have anything further on this Isaac Henderson because I have him
 with only the one son David?

Loralee, you wrote: Could I ask if there was a Thomas Henderson who d. 1772 in Vi. with son Thomas b. 1722, John Henderson b. 1724 and a William Henderson b. 1728 and lived in Mecklenburg? I think if I send you copies it would be easier because every time I look it is something different. I do know they think it is Florence Evans because they used her first name as a last name--Florence.

Loralee, what I have is undocumented but I have William "1" the Immigrant born about 1640-1700 married Florence ? Evans? had son John born about 1610 married a Nancy or Susan and they had son Thomas born about 1700 died 1772 and they had son William who married Nancy born 1735 died 1813 and they had Dr. Thomas Henderson 1754-1816 who married Mary Baldwin and this last couple lived in Mecklenburg NC. Hope this answers your question.
