Hello list,

It has been a long time since I last subscribed to this list. I am looking for any information on a John Wallace from South Carolina. I was reading a book "Probates Records of South Carolina Volumn 2 Journal of the Court of Ordinary 1771 - 1775 by Brent H. Holcomb, G. R. S. " .

In the book on page 307 it had an abstract on John Wallace:

Wallace, John Box 44 #.1853. Probate Judges Office. York, S.C.

Est. Admin. 11 Nov. 1816, by Thomas Walllace, Robert Watson, Nathaniel

Phillips, John Bennett, are bound to the ordinary of York County in

the sum of \$3000.00. John Wallace and Samuel D. Wallace of Lauderdale

Co. Ala. on 29 Nov. 1826 appointed Thomas of same state and county

their attorney to receive their share from the estate of John Wallace,

decd. Thomas Wallace of Lauderdale Co. Ala. appointed guardian of

Catherine and Samuel Wallis. Thomas Farris wife was a dtr. of said

decd. (name written Wallace and Wallis)

Does anyone on this list know anything about these people? I did find a Thomas Farris on the S.C. 1790 census with 1 female in the household with him.

I do not know if this is the same Thomas Farris as listed in this abstract.

Is there anyone of you that can tell me how and where I might get a full copy of this file and at what cost?

I live near Baton Rouge, Louisiana so it is not an option to go to a S.C. state archive or county court house my self.if that is in fact where these records may be housed.

Thanks for any help.
