

Ebenezer and Abigail's children (except Abigail and John, who remained in the Hadley area) grew up and left records in Norwalk or Stamford, CT.

Notes for ABIGAIL BOUTON:

From the research of Frederick C. Hart, Jr.:

In Norwalk on 30 Mar 1719, Abigail signed a deed (with her mark) in which she and her siblings disposed of a small remainder of their father's estate. Except for this, her trail is lost, with no further record in the Norwalk area. It may be that she remarried, but no evidence of such has yet been found.
